GETTING THE WORLD WATCH LIST QUIZ NIGHT STARTED:

1. WELCOME

Tonight's quiz is put together by Open Doors - a charity who stands alongside persecuted Christians.

One in seven Christians globally face high levels of persecution and discrimination for their faith, and Open Doors' vision is that no Christian should suffer alone. Open Doors' secret networks support Christians living in some of the most dangerous places on the planet – bringing hope and vital resources to help them stand strong in the face of persecution.

You'll hear a bit more later.

We have six rounds for you – covering some classic quiz topics.

Mid-way through the quiz we'll take a short break to show a short video highlighting the places in the world where following Jesus comes with a real cost.

Make sure everyone is in a team

Get people to settle in their teams and make sure that every team has given themselves a team name and also has a pen, answer sheet and is good to go. Share how many points in total are up for grabs (60), which includes a bonus point for the team with the best name too!

2. IT'S QUESTION TIME

Start the quiz and run through questions, leaving enough time for teams to have a quick chat to discuss and choose their answers.

3. ANSWERS

Once you've completed each round, ask teams to swap their answer sheets with another team, then go back through the questions, this time reading out the answers. When you're done, get teams to tot up their scores, hand back the answer sheets and then begin the next round.

4. HALFWAY THROUGH: SHOW THE FILM

Let's give our brains a breather and hear why we're here tonight. Where do Christians know the real cost of following Jesus? The Open Doors World Watch List 2025 ranks the countries where Christian persecution is the most extreme - here are the five countries at the top of the list.
